

SFBAC 2010 Klondike Derby Snowflower Preserve

Klondike Derby 2010 rules & requirements

1. **STAY OFF OF THE LAKE!!** The ice is thin and therefore, very dangerous.
2. Klondike parking will be in the “The Cliffs” parking area. Please do not park in the main parking lot. Your fees include parking passes for the duration of the Klondike and will be provided by the Klondike staff. Make sure that you place the parking pass in the front window of your vehicle and that it is fully visible. **Please state your unit number on the side of the pass that is visible, along with your cell phone number, if you have one. (This will allow us to contact you in the event of a parking problem.)**
3. Snowflower will leave the swimming pool bathrooms unlocked and available for our use this year. Please, please take care of these toilets. If you abuse them, we most likely won't be able to use them in the following years. Keep them clean because they are all we have!!!
4. Do not use the Lodge facilities. Snowflower becomes very crowded during the day. We need to be courteous to the other customers.
5. A heated water point will be available for our use at the edge of the parking lot. All other water points are turned off for the winter.
6. Open fires will be limited to the burn barrels that will be provided in the Upper Fawn Camping area.

Klondike Derby Events:

1. Some of the competition events will be held on the beach next to the lake. Please ensure that no one attempts to walk on any ice that is covering the lake.
2. The Snow Shelter and Snowman Building competitions will be held in the Middle Fawn Camping area.
3. The Sled Race competition will be held on the road into the Fawn Camping areas.
4. Your major requirements during the Klondike Derby are to be Safe and to have lots of fun.
